

## **SUPER BEAR TRAVELS THE USA**

**2017-2018**

Students, Parents and Guardians,

For the 2017-2018 school year our theme will be Super Bear Travels the USA. Please find enclosed a coloring sheet of Super Bear to take on your summer travels. Whether you travel far away or stay close to home, we want your child to share their summer adventures with us. Have your child color Super Bear and take him along. When you reach your destination, take a family picture with Super Bear and send the picture electronically to Riverside. Link to our school website, <http://riversideelementary.stpsb.org/> and look for the map of the United States. Click on the map and it will link to you an email address that you will then send the electronic photo. Please identify your electronic photo with the family name and location of the photo (city, state). Please do not list your child's first name – last name only. If you need additional pictures to color, you can download a copy from our school website.

At the beginning of the school year as well as throughout the year, we will be sharing Super Bear's adventures with the students and parents at various school events. It is our goal to encourage school spirit as the students become aware of the great land we call the USA. Have a safe and fun summer!

Example of identifying the family: Bear Family, Orange Beach, Alabama

Riverside Faculty and Staff
